

STRATEGY-CKD Training Events designed by partner VIB and UGent (on-line due to covid-19 pandemic)

Wednesday 24/02/2021 (zoom link: <https://us02web.zoom.us/j/89366363685>)

Time (CET)	Session
13:30-13:40	Welcome (G. Glorieux, UGent)
13:40-14:20	Introduction time ESRs (3min each; progress on project)
14:20-15:20	The Flemish Gut Flora Project (J. Raes, VIB-KU Leuven Center for Microbiology)
15:20-15:40	Coffee break
15:40-16:10	Microbiota variation associated with obesity and metabolic syndrome (G. Falony, VIB-KU Leuven Center for Microbiology)
16:10-16:40	The human gut microbiota and gastrointestinal inflammation (S. Vieira-Silva, VIB-KU Leuven Center for Microbiology)
16:40-17:00	Discussion

Thursday 25/02/2021 (zoom link: <https://us02web.zoom.us/j/89370451826>)

Bacterial Culturomics (VIB)

Web Seminars: theoretical insights and practices at different stages of the culturomics pipeline, from sample to sequence

Time (CET)	Session
9:30-10:45	Module 1: Basic principles of anaerobic isolation and culturing of gut anaerobes (G. Huys, VIB-KU Leuven Center for Microbiology)
10:45-11:45	Module 2: Metabolic profiling of gut anaerobes (G. Vrancken, VIB-KU Leuven Center for Microbiology)
11:45-13:00	Lunch break
13:00-14:30	Module 3: Whole-genome sequence analysis of gut anaerobes (R. Bacigalupe, VIB-KU Leuven Center for Microbiology)
14:30-15:00	Q&A

Friday 26/02/2021 (zoom link: <https://us02web.zoom.us/j/84800629502>)

Time (CET)	Session
9:00-9:45	Chronic kidney disease (B. Meijers, KU Leuven)
9:45-10:30	History of Uremic toxins (R. Vanholder, UGent)
10:30-11:15	Meeting the clinical needs and demands for kidney replacement therapy: The perspective of a medical device developer and manufacturer. (M. Storr, Senior Manager, R&D, Baxter)
11:15-11:35	Coffee break
11:35-12:35	Supervisory board meeting
12:35-13:30	Lunch break
13:30-13:50	Microbiome in CKD (+ sharing experiences of PhD in Private sector) (Tessa Gryp, PoulPharm, Izegem, Belgium)
13:50-14:50	Data Management Plan and DMP-online (Laura Standaert; data steward UGent)
14:50-15:50	Valorisation and Intellectual property (Aur�lie Nowack, VIB)
15:50-16:00	Q&A
16:00-16:15	Closing remarks

"This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 860329"
